Creating Positive Partnerships the Artis Way

Treasuring Uniqueness

At Artis Senior Living of Boca Raton, we know how difficult it can be to care for an aging family member, which is why we treat it as a labor of love. When you choose our community for your loved one's Memory Care, we work together as true partners to develop a solution that best serves their unique needs.

Make New Friends

We believe in the power of relationships. Forming new friendships while maintaining the old is integral to our philosophy. We offer volunteer opportunities, letter-writing programs and many more options to help you and your loved one stay active and engaged.

The Artis Way

Positive partnerships start with building a personal relationship with each resident so they feel empowered in their care and in the community. At Artis Senior Living of Boca Raton, we work to engage residents, their loved ones and their care partners to foster the dignity and grace that is a right to all.
