# Spring Specials

Come tour our newly expanded Memory Care and get in on the savings!

We want to welcome our new Memory Care Director-Meredith Ivey; she comes to us as a Certified Dementia Specialist and a Certified Therapeutic Recreational Specialist!

Our Activities program through Legacies, focuses on your loved ones overall well-being and enhances quality of life.

We offer:

Group and Individual Activities to stimulate mind, memory, and physical well-being.
Activities led by Brookdale Therapy to keep fine motor skills and cognitive abilities sharp.
Aromatherapy to stimulate or calm the senses
Art as a therapeutic tool to stimulate the creative senses.
Music and Memory program
Our rooms are designed specifically for your loved one with dementia.
