Cookie Delivery to Fire Department

One of our favorite Christmas traditions is baking Christmas cookies. This year, we continued our tradition. After baking, we delivered a tray to both the Munroe Falls Police and Fire Departments. We appreciate our first responders!

A sweet treat

Ringing in the New Year!

Party hats? Check! Awesome buffet? Check! DJ playing all the favorites? Check! Residents ready to party? Double check! Mulberry Gardens was hopping as the residents said farewell to 2018 and hello to 2019. It's always fun when there is a party. But bringing in the new year made it even more fun! Wishing the good times last the whole year!

All smiles!

Looking good, ladies!

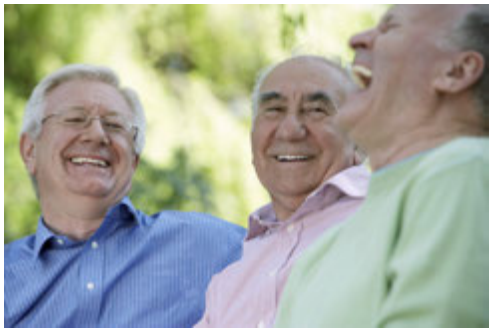
Evelyn and Serina are ready to celebrate.

OMG! Who Said That?!

Stop by our activity department and try out two fun new activities. "OMG" and "Who Said That?" will be incorporated into our News and Views activity time. Did you know a lion's roar can be heard from five miles away? OMG ... you do now!

Who Said That? gives a famous and sometimes not-so-famous quote with multiple choice answers of who actually said that quote. It's up to the group to figure out who said that particular quote. An example of "who said that" would be: "I am always making a comeback but nobody ever tells me where I've been." Any guesses? It was Billie Holiday.

Join us as these additions are sure to spark some laughs as well as lively conversation!



Sto Notes Singers Christmas Show!

Music was in the air when the Sto Notes Singers came to Mulberry Gardens. This talented group of ladies sing not only traditional Christmas songs, but wonderful renditions of other Christmas songs. What made this evening more special was that our own Dorothy's daughter is in the singing group! Thanks for a special evening!

Beautiful sounds!

Mulberry Gardens Christmas Party

All was merry and bright during our annual Christmas party here at Mulberry Gardens. We began the wonderful evening with a very special performance by our resident bell choir. During their final song, “Jingle Bells,” our guest of honor Santa Claus arrived just time for the fun festivities to begin! Residents, families, and friends were treated to a delicious buffet and a chance to tell Santa just what they wanted for Christmas while musician Duane Carlson played our favorite Christmas songs on the piano. It was a night that reminded us all that Christmas certainly is the most wonderful time of the year!

Marge and her son are having fun.

Barbara is saying hi to Santa.

Smiling with Santa!

Norm is on the Nice List!

Anne is checking off her list.

The Resident Bell Choir is ready to perform.

Thanks for the delicious food, culinary team!

Cuyahoga Falls NHS Visits Mulberry Gardens!

The wonderful students of Cuyahoga Falls NHS came to Mulberry Gardens and shared their laughter with the residents. The students volunteered on selected Saturday and Sunday mornings to play cards, Scrabble, dominoes and more! It was lots of laughs and fun as the time flew by. We are so thankful to the students for sharing their time with us!
