

24-Hour Maintenance Response Guarantee

Terms and Conditions

Beztak's 24-Hour Maintenance Response Guarantee is in place to ensure that our residents are satisfied with their lifestyle and experience in their apartment home.

The 24-Hour Maintenance Response Guarantee only applies to routine interior repair items. If a service associate does not respond within 24-hours of a request, the resident will receive a rent credit for each day or portion of a day that exceeds the guarantee period. (**Restrictions apply*)

If service cannot be completed within the guideline, a service date will be given. Any repairs that exceed the service date will receive the same daily rent credit.

The 24-Hour Maintenance Response Guarantee covers interior routine service requests, received Monday through Friday.

- Requests received after 3:00pm Monday through Thursday will be considered received at 9:00am the following morning.
- Requests received after 3:00pm on Friday or on the weekend will be considered received at 9:00am the following Monday.
- Requests that require an outside contractor or the order of a specialized part will be given a service date.
- The 24-Hour Maintenance Response Guarantee is based on the resident giving permission to enter their home during normal business hours to perform the requested service.

Daily rent credit will begin the day that the management office is notified in writing that the requested service was not addressed.
