Meet our New Director

My name is Babette Hedberg. I am originally from Wisconsin Rapids and have been living in the area since 1996. I am currently living on a small hobby farm in Conover with my husband, youngest son and a slew of animals. I have degrees in Early Childhood Education and Health Care Administration. I believe that I have found my passion working with the residents here at Milestone Eagle River. My extensive background in hospitality along with my experience in the health care field make the Community Director position a perfect fit. For the past twelve years I have worked in an administrative capacity at St. Mary's Hospital – Rhinelander, Howard Young Hospital, Eagle River Hospital and for a private clinic in Rhinelander. I am enjoying getting to know our residents and learning from the wonderful people working here. I look forward to implementing some exciting new activities to our daily lives here in the Community! Keep watching our site for updates on our new any time menu and monthly events. Please feel free to contact me with any questions. We are always looking to add caring, compassionate, fun people to our team ☺

Brittany Juedes has been caught red handed for the month of July. Brittany is new to our memory care unit and has already made a positive impact on the building. Brittany is reliable and always gives 110% in everything she does. She demonstrates excellent bedside manner and good customer service. In her short time on our Memory Care Unit, Brittany has built an excellent rapport with the residents, their families and her cowork-ers. She is enthusiastic about her job and was able to "hit the ground running" the second she started. We are so lucky to have her at Milestone!

Embracing Every Moment

MILESTONE —TOMAHAWK

Welcome July: Finally, summer is here, and we are enjoying spending more time outdoors. Our gardens are growing thanks to Bill and his green thumb. Our Corporate theme for July is "Join the Gang" (50's theme) and we have many themed activities scheduled. Stay tuned.

The Director: We asked for warmer weather and we received it! With the warmer temperatures the Gang is all set to be out in the sun soaking up the rays. With our regular walks outside and sitting on the veranda there are certainly some root beer floats in our future. This month at the Tomahawk Milestone community we are celebrating togetherness with the theme "The Gangs

Fundraiser: We presented $192.00 to the Tomahawk Senior Community Center/ TAIV on 6/2/2022. We continue to have cookbooks for sale; 'A Milestone Cookbook, stirring up Memories" available for $20.00 each to continue to raise money for the nonprofit group 'Paws 2 Think". This is a local nonprofit that helps with Food 4 Pets and Education 4 Their People. We will be presenting them a donation by the end of the month.

Our next fundraiser will be for our Alzheimer's Walking Team. If you see staff wearing jeans often, it is because we are having "Jeans in July" all month to raise funds for Alzheimer's.

We again be collecting School Supplies in July for our local schools. A box will be placed in our vestibule for the collection.
