Walk to End Alzheimer's 2017

This month, we had a chance to chat with Kara Griffey, the Walk Director at the Alzheimer's Association Oregon Chapter about the Walk to End Alzheimer's.

RSL: Since the Walk started in 1989, it has grown in participation and with funding. What goals are in place for success going forward? KG: "Our goal is always to make sure that the Walk to End Alzheimer's is reflective of the community, and an opportunity to share the mission, and passion of those touched by the disease. As we move forward, we hope that more people will become story tellers and use the Walk as a platform to spread the awareness this disease deserves, and, by doing so, inspire others to give to the cause. We will continue to rely on the amazing volunteers in the community that put on their local Walk, and to grow the volunteers leading this effort so we can continue to reach more and more people, and a diverse group of people."

RSL: How would you describe the Walk's interest and participation? KG: "The Walk to End Alzheimer's is one of the fastest growing events of its kind in the nation, seeing positive growth nationally, and locally. As more Americans are faced with the challenges of this disease, more people are interested in getting involved and making a difference in the trajectory of this disease, and that is fantastic! We look forward to seeing many new faces this year at all our Walks across the state and are working hard to recruit new teams with diverse backgrounds."

RSL: What are some of the Alzheimer's Association's nationwide efforts that we can support beyond the Walk? KG: The Alzheimer's Association is the leader in terms of care, support, research, and advocacy efforts, working globally and locally to advance all areas forward. There are many ways for people to get involved with us, whether by becoming an advocate and helping advance public policy, or volunteering to facilitate one of our local support groups and enrolling in TrialMatch®. TrialMatch is a free clinical trial matching service that helps us ensure that research is moving forward for treatment, prevention, and a cure. Be sure to visit alz.org/oregon for more information!

RSL: Any parting message you would like to pass on? KG: "Get involved in any of the ways mentioned above! Whether you are 1 or 100, there is a way to participate to help end this disease. Let's show the world our purple passion and that together we can do better today than we did yesterday. We are on our way to meeting the first survivor of this disease and that is something to be excited about, be hopeful about, and mobilize together around."

Rolly Bowly

We’ve found new ways of having fun inside when it is 106 degrees outside. Bowling the heat away!

Here our bowlers show off their skills! Willena proves to her roommates that she has what it takes to make those strikes! Good food, great drinks, and lots of high fives!
