

Good Friends Make *Great* Neighbors

We want to say "thank you" for your kindness in sharing the good news about your own Koelsch experience with friends. Our reputation is important to us, so when you tell others about your new life, we are grateful. For three generations we have been blessed with growth and success, and we want to share those blessings with you!

Here's how it works: If you or anyone in your immediate family encourages a friend to choose a Koelsch Community, and we don't already have a relationship with them, please submit their name using the form below. Print, fill out, and drop off the form at any Koelsch Community. The referral must move in and stay for 30 days.

This is what you'll receive: A check for **\$2,000**. Each additional referral increases by **\$500** per referral (ie. second referral earns **\$2,500**, third referral earns **\$3,000** and so on).

Upon confirmation that someone you referred has chosen one of our Communities, you will be notified on how to receive your check. Thank you for being part of our family and for your continued trust in us. *Move-ins using the Medicaid program are not eligible.*

Please fill out this form and hand in, or mail in, to any Koelsch Community.
