

BENTON HOUSE

# september events

*please come!*

## The Effects of Impaired Hearing

**Thursday, September 7th, 6 pm**

Learn more about the positive effects of improved hearing and how it can impact memory loss. Presented by Douglas Garbart, a Licensed Hearing Aid Specialist. Light refreshments served.

## Cruise Week

**September 10th - 16th**

Set sail aboard the SS Benton as we transform our community into a cruise ship. Enjoy exciting ports of call, experience fine dining, thrilling entertainment and memorable adventures along the way.

## World Alzheimer's Day of Remembrance

**Thursday, September 21st, 6pm**

Alzheimer's disease is the most common form of dementia. Join us for a special ceremony to honor friends, family and loved ones.

**Call today and reserve a spot for one or all!**
