

## LETTER FROM THE ADMINISTRATOR

Hello everyone my name is Mary Rush and I am your new Administrator here at Lakeview Terrace.

I started my healthcare career as a Pharmacy Technician, working in retail and independent pharmacies in Illinois and Indiana. I studied nursing while working in the pharmacy; then worked in a local physician's office. I made a move to Nevada to assist with the care of my own mother in 2008. While visiting my mother in the Assisted Living Community, I realized the great working environment; and that type of situation was where I needed to be as a nurse. Since 2008, I worked as the nurse in Assisted Living Communities; and this passion has led me to get my Administrator's License in 2013.

I look forward to bringing to the community many informative events regarding your healthcare, flu clinic, Wellness Day, and Medicare open enrollment, so please pay close attention to the daily activities as they will be announced soon. I am ready to take the lead with the help of the Lakeview Terrace Team and make our residents feel at home and receive the best care. Please let us know if you have any other ideas on subjects you want to be brought in.

My office will be open to any of your suggestions or recommendations and we will discuss it to make it happen for the good of our facility.

Sincerely,

*Mary Rush*  
Administrator

### Employee of the Month

**RON SAVET,**  
Administrative Assistant

Ron has been with Lakeview Terrace as Front

Desk/Administrative Assistant for about six months. This is her first time working in Assisted Living. She tried to start a rapport through the residents by giving them a smile, listen and give the help they need the best she can. She has this commitment to herself to do her job well done, to be reliable and disciplined. She always put in her mind that work is not about earning a paycheck, it's about doing something good that you believe in.

**JOB WELL DONE RON!**

# Putting the Spotlight on our Featured Residents: Jim & Carol C.

Jim and Carol moved in at Lakeview Terrace on December 2016. They are both active attending exercises, Church Service and other activities. Jim is an active member of Food Council Committee at Lakeview Terrace.

Carol was an Accountant in Hospital/Ran Oncology Department. She was also an Office Admin for her own painting and decorating business. She graduated in 1962 (PGH). Jim spent his 28 years as Chief Warrant Officer W-4 and he is now a retired coast guard. He was the co-owner of Painting & Decorating family business. He graduated from Bessmar High AD Johnson High School.

Jim and Carol got married on September 18, 1981 and it's been 36 years now. Jim has 3 kids and 6 grand children and great grand children.

During their younger years they both enjoyed exercise, snow ski, golf, and traveling using an RV.

**We are very happy to have Jim & Carol here at Lakeview Terrace and we are looking forward to share more their thoughts.**

## JESSICA MOSSALIK Our New Health Services Director

*Let us all welcome Jessica to her new family and friends!*

***A note from the Health Services Director:***

"I started working in Assisted Living in 2010, and I felt that my passion is to work and help elders. I enjoy talking and chatting with the residents where they could feel at home with me. You can go to me with any of your healthcare concerns. And I want to inform you that Janet Wheble-PA and Lindsey Enriquez-NP are both coming back to the community and if you like them to be your primary care here in the community, let me know and I can help you make the changes needed".

**Lakeview Terrace gave Jessica the opportunity to continue her passion in bigger area as a Health Services Director. Jessica is excited to serve the residents and work with Lakeview Terrace team! WELCOME JESSICA to Lakeview Terrace!!!**

## Oct. 28 is National Chocolate Day

If you always like to accompany your cup of coffee with a chocolate cookie or other chocolate-based treat, you should probably be familiar with at least its three main categories:

Most notably used for cooking, **Dark Chocolate** can contain anything from 30% to 75% cocoa solids. It has a slightly sweet, slightly bitter flavor and a dark color. This chocolate is often called luxury or continental chocolate.

**Milk Chocolate**, as its name suggests, contains milk and has lovely creamy, mild, and sweet flavor. It is mostly used as an eating chocolate. However it does have its place in chocolate cookery, especially for decorations, and when a milder, creamy flavor is required.

**White Chocolate** contains lower cocoa butter content and cocoa solids. It can be quite temperamental when used in cooking. Always choose a luxury white cooking chocolate to avoid problems and take great care not to overheat when melting it.
