The History and Significance of Veterans Day

served in the Army, Air Force, Marines, and

On Saturday, November 11, citizens across the United States will celebrate Veterans Day with gratitude toward the men and women who have bravely and selflessly served our country.

In conjunction with celebrating this important day, here are some facts about its history and significance. To all those who have served, we humbly thank you for your service, and Happy Veterans Day to you!

Veterans Day is a U.S. holiday that honors veterans of all wars.

In 1918, during World War I, on the 11th hour of the 11th day of the 11th month, hostilities ceased between the Allied nations and Germany. The cessation was marked by many countries as Armistice Day. The Treaty of Versailles, which marked the end of the war, was signed on June 28, 1919, but the armistice date was the one that most people considered the end of the conflict.

In November of 1919, Armistice Day was marked by many countries. The observance included parades, public celebrations, and pauses to both business and school activities when the clock struck 11 am.

In June of 1926, Congress passed a resolution that November 11 should be commemorated each year. As of May 13, 1938, Armistice Day became a legal Federal holiday.

Changes were still abound, however. During World War II, more than 16 million Americans

Navy. Another 5.7 million served in the Korean war. This spurred Veterans service organizations to lobby for the words Veterans Day to replace the words Armistice Day in honor of the American veterans of all wars. In 1954, President Dwight D. Eisenhower signed legislation for the name to be changed.

The day would still see some changes. As of 1971, Veterans Day was moved to the fourth Monday in October. This followed Congress passing the Uniform Holidays Bill that brought about the celebration of four national holidays on Mondays. As of 1978, due to many states' confusion and disapproval over the change, the holiday was moved back to its original observance date. It continues to be held on

What is the difference between Veterans Day and Memorial Day? It is a common question. Memorial Day, celebrated in May, is dedicated to Americans who have served and who passed away while—or as a result of—serving. Veterans Day honors all Veterans, alive and those who have passed.

Happenings Around the Lodge

Here are a few highlights of some activities that take place on a regular basis. These activities are listed on your monthly calendar and also appear on the weekly calendar along with all of our other events. If you have any questions about these or any other activities Barbara and Leah are the Activities Directors and can answer your questions.

Greeting Card Sales: Every other Tuesday at 10:30 Betty A. and Annetta V. set up a table and sell greeting cards. The price was just reduced from 75 cents each to 25 cents. That's right, 25 cents each or 4 for a dollar! They have the cards separated into categories so you can easily find cards that fit your needs. And did you know that you can purchase stamps at the front desk? So stop by and see Betty and Annetta and send someone a card!

Knitting and Crochet Club: Fridays at 1:00 Barbara (Activities Assistant)

and two community volunteers gather to knit or crochet in the Bistro. Barbara can bring extra supplies for you to use or you can bring your own things if you have them. Barbara and the volunteers can help if you need it.

Art Class with Loretta: Loretta is a local artist that comes to Bozeman Lodge twice a month to teach an art class to whoever is interested. All levels and abilities are welcome. She uses different art mediums and gears her teachings to the current seasons. Her future classes may involve more crafting and not just painting. Stop by and check it out, it is always fun.
