I was born on January 29, 1943 in Pittsburgh, PA. I have 1 brother, Rick who lives nearby in Mountain View. I earned a Political Science degree from the University of Pittsburgh where I also attended law school. I practiced personal injury law and took pride in resolving conflict on the job. I also wrote a book about mediation and arbitration. I met my future wife, Elizabeth at a party and we were married in 1974 on Angel Island. We have 2 daughters, Lauren and Katie and 1 grandson, Mateo. I would describe myself as inquisitive, soft-spoken, outgoing and sensitive. My hobbies include reading mystery novels, the Sun Magazine and the New Yorker Magazine. I love playing trivia and challenging the mind. I also love baseball and basketball and am the biggest Warriors Fan!
