SECURE ENVIRONMENT

An active social life is associated with better cardiovascular outcomes, greater immunity to infectious diseases, less depression, and a longer life.

Over 90% of residents and families would recommend assisted living to others.

CHALLENGES OF LIVING AT HOME

- ◆ Poor Nutrition
- ◆ Strain on Family
- ◆ Isolation
- ◆ Uncertainty
- ◆ Managing Daily Living Tasks
- ◆ Household Maintenance

PAYMENT OPTIONS

Some senior communities require a buy-in fee, others offer month-to-month rental. Payment options can include the sale of a home, savings, temporary loans or long term care insurance. Speak with a senior community representative to learn more about your situation.
