

LETTER FROM THE ADMINISTRATOR

Welcome to the first Newsletter of 2018 and Happy New Year to You! I hope you have had a

wonderful Holiday Season. It's amazing to think of a New Year beginning. My Mom always told me the older you get the faster time flies. With the excitement of the New Year it is a pleasure to reflect upon the fun times we had in our community last year. We have shared wonderful memories here at Lakeview

Terrace. The year ahead brings with it opportunity to form new friendships and help fellow neighbors in our community and to support the community around us Boulder City.

I would be happy to hear any new and exciting ideas you may have that we can plan for the year ahead. Also Check us out on Facebook for the exciting activities going on daily.

Have a safe, healthy and Happy New Year!

Sincerely,

Mary Rush

MARKETING CORNER

Meet our new Marketing and Sales Director: Sherry

Sherry was born in Glenwood Springs Colorado. When her father got out of the Military they moved to Kentucky when she was 2. She spent the next 50 years in Kentucky. Where she married and raised her family. She had two children: a boy and girl. Also she has two granddaughters that are 10 and 2. After her children started school she went to work. She worked for over

20 years in private medical practices as office manager. When her primary doctor decided to retire she decided to move to Las Vegas to be closer to her brother. After relocating she found a position in senior living and realized how much she loves working with seniors and where her heart found peace. She feels honored to be asked to work in a community that is truly a home. It is like being part of a large family. Helping our seniors to have a happy, independent and safe life is her passion.
