

New Pond Villages Joins with Walpole Community to Celebrate National Good Neighbor Day

WALPOLE, MA – Members of the community joined residents and staff of [New Pond Village](#) and [Walpole Community Food Pantry](#) for a ceremonial planting in honor of National Good Neighbor Day on Thursday, Sept. 28. This event was an opportunity for Walpole community members and New Pond Village residents to come together to celebrate the importance of being a good neighbor, while giving back and supporting an organization that helps feed our hungry neighbors. New Pond Village residents will be tending to the herbs, which will be shared with the food pantry when harvested.

Walpole Community Food Pantry Co-Presidents, Janet Rinne and Dianne Sullivan, thanked community members for attending, shared the history of the food pantry, and provided information about their important work and how it is making a difference.
