

*You* really  
go out of your way  
to be helpful  
and to keep things  
running smoothly  
around here.

*You* do your job  
with a smile  
and no need for a lot of praise.  
But today, and always,  
you deserve a lot of thanks  
for everything you do.

It's amazing how much you do,  
No task too small or large -  
And you look out for every resident,  
are kind to family + guests, you  
establish the positive environment -  
You can feel it when you walk in  
the door. It's almost magic, but really  
just uncommon kindness.

Thank you -
