

Dear Karen,

There aren't enough words to thank you for making my Dad, Max, feel so comfortable living at Arbor Oaks. It's a very difficult decision having to find a place for your parent to live other than their home or yours. From day 1 though I felt very comfortable leaving my Dad in your care.

You and your staff were wonderful to him. I know his passing was difficult for you and them. I saw that when you were offering your condolences to us and then saying goodbye to him.

You will always have a special place in our hearts.
Thank you
Ellen DeTomasso
