

On Mother's Day, & every day

It's no small thing
to find the perfect place
for Mom. Arbor Oaks is
that place, thanks to the efforts of
so many. We appreciate the way
you care for all these moms:
the competent care, the smiles
you share, the kind words &
actions, the special activities,
Day in, Day out - We thank
you for being there
for Mom, for us.

For everything you do.
