Morning
Bayberry
Families &
Friends!

Hooray... Spring is almost here! The flowers are blooming and warmer weather is on the way. We have been so fortunate this past winter to keep any sickness in our community to a minimum. We believe this is due to stellar care and cleanliness provided by our awesome team. We are also grateful to our families & friends that have been so careful NOT to visit when they are sick. Our #1 goal is to keep our Residents Safe,

Healthy & Happy!

Many thanks to those of you that joined us for Valentine's Day. We enjoyed a scrumptious Chinese food luncheon followed by Elvis and pink champagne. Fun was had by all!

We are looking forward to our St. Patrick's Day luncheon on Saturday, March 17th at 12 noon. A traditional meal of corned beef with all the fixins' will be served along with green beer. The cost is \$6 per guest, please rsvp at the front desk.

Hope to see you soon!

Hugs,

—Patty

Happy Birthday!

Featured Resident: Bud F.

Bud was born on January 11, 1929 in Goshen, Oregon.

He, his brother, and

two sisters grew up in Lynx Hollow, which is a very small community between Creswell and Cottage Grove.

Bud worked several jobs during his life. He said because "he was young and strong he was able to do fast-paced, hard labor work". He started out working in hayfields, worked as a service station attendant, and was a logger. He retired from Weyerhaeuser as a log truck driver after 26 years on the job.

One day while Bud was at a restaurant with a friend, he asked the waitress to call her sister to come meet him. He said when she walked in he fell in love instantly. Bud and Bernice were married for 52 years. They raised their four children in a house they built on the same property where he grew up. He has nine grandchildren and several great-grandchildren.

Bud enjoyed woodworking in his free time building bookshelves, nightstands, tables and other furniture. He and his wife also liked traveling and remembered special moments in Hawaii and a cruise to Alaska.

Bayberry welcomed Bud to our community in April 2017. He is a very kind, loving addition to our family!

Employee of the Month:

SCOTT B. — Residents chose Scott for the Employee of the Month because he is hardworking, always cheerful, he fixes things in my apartment, gives attention to any problem or request, and always follows through to make sure everything is fixed.

Letter from the Memory Care Coordinator: Mindy Gravon

Hello from Memory Care! Activities and socializing are a very important part of our daily routine here at Bayberry. We have had a lot of fun painting, baking and doing various crafts over the last month. These are all things that help with mind stimulation, help reduce anxiety, create emotional connections with others and

Jane showing off her talents.

encourage creativity. Our residents and staff enjoy all of these activities and it shows. We are excited to see what our lovely ladies will be creating next.

From our family to yours be safe and stay warm.

Sincerely, Mindy
