A LETTER FROM THE ADMINISTRATOR...

Greetings to all the dear residents, family and friends at Brentwood at Hobart! I just arrived as majority you know on February 5th to help you and the Brentwood team until a permanent Administrator arrives. I travel to many of our communities helping out where I am needed.

A little about me personally...

I am married and have 4 grown children; Jason, Chief in Coast Guard who's 35, Parker turning 30 works for State Farm on catastrophic losses, and Lyndsay who works for a mobile Dr. and will be 28, Leah who's 21 is the youngest and works in a day care taking care of little ones. I have 5 grandchildren; Reese, Taylor, Madison, Russell and Xander. Ironically enough the last three were all born in 2013! What a wonderful year that was. I was born and raised in Arizona, but we have a home in Texas too since my husband was born and raised there.

I have enjoyed meeting many of you in my short time here and I am look-

ing forward to spending time with everyone. My door is always open and I am also out and about a lot so please don't hesitate to stop me when you see me so we can get to know each other.

Since I am from Arizona, as some of us have discussed, it's been quite a treat to see all the snow fall we had recently! Not only did we receive a lot of snow we also had some of the largest icicles I have ever seen in my life! We wanted to share a couple pictures we took on Valentine's Day outside in case anyone missed them! What a Valentine's gift for all of us. I also hope that everyone enjoyed the Valentine's you received from the team at lunch and the goodies we had.

Thank you again for your kindness and being a part of the Brentwood family. We are very fortunate to have you as our residents and honored to work in your home!

Warm regards,

Terri Bunch

Happy Birthday!

Women's History Month

March is Women's History Month, which began as International Women's Day and then Women's History Week.

Women's History Week was first celebrated in 1978 in Sonoma County, California, which was designed around March 8 (International Women's Day). In February 1980, President Jimmy Carter issued a presidential proclamation declaring the week of March 8, 1980, as National Women's History Week. By 1986, 14 states had declared March as Women's History Month.

In 1987, Congress designated the month of March as Women's History Month. Since then, every U.S. president has issued annual proclamations designating the month of March as Women's History Month.
