CHERRY HILL, NJ, MARCH 9—Symphony at Cherry Hill donated six cases of water to the Rehab Unit of Deer Park Fire Company. The Rehab unit works in the community to ensure firefighters, police and emergency workers stay hydrated and nourished in their courageous work.

The Deep Park Fire Company is run by volunteers and has been serving the local community for over 70 years. James Santana, executive director of Symphony at Cherry Hill was impressed by their mission. “When I heard of the Rehab unit and their need for supplies I was happy to be able to donate cases of water. Providing hydration and nourishment to our first responders is so important,” explained Santana.

Symphony at Cherry Hill is standalone memory support assisted living opening in Summer 2018. Symphony will combine luxurious yet comfortable accommodations with a holistic approach to wellness. Our staff is available 24 hours a day to help in activities of daily living such as medication management, bathing, grooming, dressing and so much more.
