

## INDEPENDENT LIVING

Finally, you'll have time to enjoy life and to trade your household chores for the joys of retirement living. Whether that's volunteering or an evening at the local theater, you'll have the freedom to do what you like best. After all, you've earned the right to pursue what gives you the most joy!

Rest assured, our staff will go the extra mile to make your new life here enjoyable and rewarding. Our goal is to help you create the lifestyle you've always wanted, and most importantly, to foster the kind of community where you do more than just wave to your neighbors - you get to know them!
