Happy April Fool's Day

April Fools' Day is the ultimate test of humor and these relatable **April Fools' Day** quotes are the type that **you'll** be nodding your head in agreement with... that is, if **you're** not burying your face in your hands and laughing. If **you** don't **have a great sense of humor**, then **April Fools' Day** is likely your least favorite day. I do like April Fools' Day! It gives me a chance to see all different kinds of facial expressions, and it brings out a lot of laughter.

April 2nd is another favorite day. It's National Peanut Butter

Dear Friend,
 I am surprised at your wit, your intellect, your wisdom and your knowledge. But more importantly, I am surprised at my false praise of you!
Happy All Fools' day!

and Jelly Day. I loved peanut butter so much as a child that my grandmother even gave me a nickname after peanut butter. If you want to know, just ask me. ☺ I always enjoy a good peanut butter and mayonnaise sandwich.

LAUGH
 when you can,
APOLOGIZE
 when you should,
LET GO OF
 what you can't change.

Another fun day is April 14th. It is International Moment of Laughter Day. The objective of this day is to get people to laugh more often. "Laughter is the Best Medicine." I think I will make a huge effort to practice every day to bring a smile to someone. So, who will join me in making someone smile by just saying hello, have a nice day, or may I help you? Sounds easy to me! Try it and see the results of what laughter can do in your life, and the lives of those you meet. You can start by joining me in my resident bingo this month. Hope to see you there with a smile. ☺

Marketing Moments

When you think about the month of April, do thoughts of spring spheres or income taxes come to mind? There's a lot more to April than cellophane grass, or the 1040 here at Roseville Commons.

Enjoy an ice cream social, tulips and a trip to see Mary Poppins, exotic animals, bunnies to cuddle, plus, so much more!

Warmer days will soon be here, our courtyard gazebo is a lovely spot to relax this time of year, especially after enjoying one of Chef Brian's scrumptious meals!

Speaking of dining, a new Food Focus Group begins later this month. If you're interested in being a member of this important community group, can commit to attending one (1) meeting a month for the next six (6) months, and are willing to listen to your neighbors' compliments, concerns, and complaints about the dining experience, please let me know by April 12th.

"Winter's done, and April is in the skies. Earth, look up with laughter in your eyes!"

Sweet wishes!

Marlene

What's going on in February?

Most people know the old expression that March comes "in like a lion and goes out like a lamb." It's all about the weather. The month often greets us with a lion's roar of inclement weather, only to leave us with the gentle lamb-like days of spring warmth and sun. One thing for sure, March is a very changeable month for many climates.

We decided we would start off this month the same way, with a big roar, starting off with an ice-cream social on Tuesday March 3rd, with Marcus & Maggie playing you some good time oldies at 1:00pm in the RR. The Discords will be coming in on Tuesday, April 10th at 1:00pm in the RR. On that same day, at 3:30pm the Children from Corner Stone Christian School will be coming in to sing for us. If you have never attended this

20-minute performance, you are missing out. You really should set aside the time to come down and listen to these precious children. They come out every month, once a month to sing for all of you. I would love to see a larger turn out. These children enjoy coming out to visit, and they do it from the kindness of their heart. Their teacher Heather, is teaching them to give back to the community, to be kind to others, how to interact with adults, and to show respect to others. Please take 20 minutes of your day to come out and show these children our appreciation.

On Tuesday, April 17th at 1:00pm in the RR Jack Scott will be here to speak with us about the Woodland Celtic Games & Festival, which we will be attending on Saturday, April 28th.

Our last Tuesday of the month, which is April 24th, we will be going out like a gentle lamb, with Hawks Ranch. They will be bringing out two of their furry bunnies for us to hold and pet. Don't miss out, on these cute bunnies!

"A smile is happiness you'll find right under your nose."

Fun Excursions

It's that time of year where the birds are chirping more, and the butterflies are fluttering. It must mean Spring has sprung! We are heading up to Nevada City to enjoy the beautiful sights of the tulips at Crystal Hermitage.

Crystal Hermitage is the heart of Ananda Village, and it is Nevada City's premier garden, showcasing 16,000 tulips every spring. I will provide a continental breakfast for our drive up. The entry fee is \$6.00 per person. Afterwards, we will have lunch at Jimboy's Tacos in Grass Valley.

I hope our second outing brings back some wonderful memories for you. We will be going to see the play Mary Poppins Jr. on Friday, April 13th. This play is put on by The CYT Group. CYT is a non-profit organization, with affiliates across the nation. The price is \$10.00 per person. I have already started to collect money. These tickets are going very fast.

Last time we set up a trip to one of their plays, it sold out. So, get your tickets fast! Afterwards, we will go to lunch in Auburn at Edelweiss Restaurant 2.

On Friday, April 20th, we will be heading out to Campus Commons for our Beanbag Baseball Game. Barbara will be providing a continental breakfast for us, since we will be heading out at 8:45am. I thought after all of you win the game, we could head over to Bruchi's CheeseSteak & Subs for a light lunch. They use nothing but the freshest ingredients, and their prices range from \$3.30 - \$10.00.

Our last excursion for this month is on Saturday, April 28th. We are going to attend the Woodland Celtic Games & Festival in Woodland. The entry fee for the festival is \$10.00. As always, there will be things to watch, to eat, to participate in, listen to, dance to, learn from, and enjoy. You don't have to be Irish, Scottish, Gaelic, Welsh, Breton, Manx, or Cornish to have a good time at the Woodland Celtic Games and Festival.

Culinary Corner

Hello Roseville Residents,

Spring is in the air, and so are the aromas from the kitchen! Please invite your friends and family for a wonderful Spring Spectacular Brunch this year on April 1st. We will be featuring a moist poached salmon filet with a chardonnay shrimp cream sauce AND a mouth-watering honey baked ham! This will be paired with creamy

parmesan scalloped potatoes and a vegetable medley of asparagus, summer squash, carrots, cauliflower and red bell peppers. We will finish the meal off with a delicious caramel carrot cake. We hope to see you and your loved ones there!

Following that, to celebrate National Peanut Butter & Jelly day, we will be serving grilled PB&J sandwiches with carrot and celery sticks for lunch on April 2nd.

I would like to mention a small point on our food policy at Roseville Commons regarding which foods we provide "to-go" after you have eaten your meal in the dining room. The "snacks" that we provide to-go so you may have a bite to eat later, if you wish, are one whole fruit (banana, orange, or apple) and one pastry at lunch time. If you want your entire meal to go, or if you can't finish your meal in the dining room, we will gladly prepare that for you to take up to your room, or deliver it to you, if requested. The problem we seem to be having are some residents are asking for side items after they have eaten their meal, such as chips, yogurt, cottage cheese, French fries, etc. Side items like these are not approved to give out as a snack for residents after you have already eaten your full meal.

We appreciate and thank you all for your cooperation in making the dining services at Roseville Commons a success!

Sincerely,
Chef Brian

April Birthdays

In astrology, those born between April 1–19 are Aries' Rams. As the first sign of the zodiac, Aries are energetic and assertive initiators. With bravery, zeal, and speed, they jump headfirst into life, confident they can navigate any challenges. Those born between April 20–30 are Taurus' Bulls. Bulls are hardworking, ambitious, honest, and dedicated to finishing tasks with a dogged persistence. And once the work is done, a Taurus expects to enjoy the fruits of their labor.

Activity Talk

Our April **Activity Talk Meeting & Raffle** will be held on Tuesday, April 3rd, in the Rose Room at 11:00am. During the meeting, I will go over our monthly activities, as well as ask for your feedback. If you have suggestions, this is the perfect time to discuss them. I also have a suggestion box located in the foyer of the dining room on the community board.

Don't forget your raffle tickets for the raffle. I set up individual baskets for each prize, so you can put as many tickets in one basket as you like, or a variety of baskets.

Congratulations to last month's winners:

- Betty R. – 2 Avon shower gels, a cancer mug, and a dining bib.
- Susan D. – Ladies silver wallet, and a neckless, earrings and ring set.
- Ben G. - Bottle of Malibu Pineapple Rum, a beautiful scarf, and a bottle of perfume.
- George C. – 6 pack of The Best Damn Cream Soda Beer and 3 pack of microwave popcorn.

See you there, and good luck!
Tina

Mailbox Drop Box:

Hello residents,

Our maintenance men, Jack and Donnie, have installed a drop box on the wall, located by the office. If the

office is closed, you can drop off your rent checks (please make sure you have them in an envelope, marked with your name. We don't want any loose checks). You can also drop off mail that was delivered to you, that may not be yours.

Let's welcome our new van driver!

Hello! My name is Drew Marcus and I have been the transportation van driver for about 3 months now. It has been a real pleasure to get to know so many of you and I can't wait to meet many more. I enjoy working with seniors because they are an important, yet often undervalued, part of our society. I find that I can always learn something from your knowledge and life experience. When not at work, I'm busy enjoying life with my wife and children, who truly make my world go 'round. When I get a chance, I like to play golf and the piano, though I seldom find much time for either. Thank you for allowing me to be part of your world and I continue to look forward to serving your transportation needs. I'll be seeing you around the Commons!

Drew

Hello, residents!

We have all kinds of games, such as Checkers, Monopoly, Rummy Royal, Sorry, Rummikub, as well as all of the items for Mandala

Coloring (coloring books, colored pencils, and sharpeners) in our Arts/Game Room, located on the 1st floor. Come down anytime and get a game going with some of your friends, or family.

In our Library on the 1st floor, we have two computers available for you, puzzles, Scrabble (with a turnabout) and Yahtzee. I have set up a time on Mondays, at 2:00pm in the library on the 1st floor (LB), so people can meet up to play a game of Scrabble or Yahtzee. At our last month's Activity Talk, I had a sign-up sheet and some of our residents wrote their name down. After the meeting, I put a sign-up sheet on the window in the foyer of the dining room, by the community board. This way you can see who wants to play what games and you can contact them. Come meet some new people while playing a game. You never know what you have in common with some of your neighbors, until you spend some quality time with them.

Craft Corner:

If you love to make things with your hands and use your imagination, you should join us every 2nd & 4th Wednesday of the month at 12:30pm in the RR for our ceramics class. Everything is provided for you, we would love for new people to join in on the fun.

We also have Tina's craft's once a month. Sign up in the book if you would like to participate, so I know how many people I need to purchase materials for. Mandala Coloring is another way to be creative. Come join in on the fun!
