"We are proud to partner with Community Church again this year to help fill the pantry at Messiah's Market," said Justin Roberts, Executive Director at Waltonwood Ashburn. "We want to do our part to help those who are in need in the community, and supporting our neighbors during National Nutrition Month seems like a perfect way to give back."

ABOUT WALTONWOOD ASHBURN

Waltonwood Ashburn, a premiere family-owned senior living community, features 113 independent living apartment homes, 72 assisted living apartments and 27 memory care apartments (mix of private studios, one- and two-bedroom). Located in Northern Virginia just minutes from the Potomac River and about 45 minutes from Washington, D.C., the 287,000-square-foot community sits on 14.5 acres. At Waltonwood Ashburn, residents have the opportunity to enjoy a worry- and maintenance-free life filled with friends and all the luxury amenities they deserve.

In 1973, Gurmale Singh Grewal, along with his brothers Lushman and Jeat, established Singh as a family-owned company. Since that time, Singh has remained multifaceted in real estate development, with a strong foundation in luxury apartments, commercial properties, land development, high-end single family homes and, for nearly 30 years, senior living communities which have been branded "Waltonwood." The vertical integration of the company, which provides for development, construction, finance and management all under one umbrella, allows Singh to remain poised for new opportunities in expanding markets. All projects are wholly owned by Singh and continue to be owned and managed by Singh. With eleven Waltonwood communities currently open in Michigan, North Carolina and Virginia, and multiple projects in development, Singh has made a strong commitment to the expansion of its brand into the southeast markets.
