PHILLY.COM NAMES MORGAN PROPERTIES A WINNER OF THE DELAWARE VALLEY 2016 TOP WORKPLACES AWARD FOR THE 3RD YEAR IN A ROW

King of Prussia, PA, March 21, 2016 – Morgan Properties has been awarded a 2016 [Top Workplaces](#) honor by Philly.com. This marks the third consecutive year earning this distinction.

The Top Workplaces lists are based solely on the results of an employee feedback survey administered by [WorkplaceDynamics, LLC](#), a leading research firm that specializes in organizational health and workplace improvement. Several aspects of workplace culture were measured, including Alignment, Execution, and Connection, just to name a few.

“The Top Workplaces award is not a popularity contest. And oftentimes, people assume it’s all about fancy perks and benefits.” says Doug Claffey, CEO of WorkplaceDynamics. “But to be a Top Workplace, organizations must meet our strict standards for organizational health. And who better to ask about work life than the people who live the culture every day—the employees. Time and time again, our research has proven that what’s most important to them is a strong belief in where the organization is headed, how it’s going to get there, and the feeling that everyone is in it together. Claffey adds, “Without this sense of connection, an organization doesn’t have a shot at being named a Top Workplace.”

Mitchell Morgan, Founder and CEO of Morgan Properties, said “We are honored to have been selected for the award 3 years in a row, particularly as the judges were our own team members. We are a company with a family atmosphere that cares about each employee and encourages personal and professional growth. This award reflects the culture we have built and the satisfaction of our team members.”

“Morgan Properties’ employees and dynamic culture sets us apart from others in today’s competitive market. We know our employees are critical to our continued growth and success so we are deeply invested in individual development, career growth, and a workplace environment that fosters community and dedication to excellence.” said Krista Reynolds, Morgan Properties Vice President of Human Resources.
