A NOTE FROM OUR DIRECTOR

What a fantastic month this has been at Moran Vista! It was great to see everyone at the St Patrick's day party and all the other fun activities this past month. Spring is finally here! We are going to have a great month and I am working on getting four seasons to come out for a clean-up of our community. I will be working on spring planting here soon and will announce to everyone what you can do to help out. We have some great activities this month such as lunch at the Chalet, a historic presentation about Nat. Park, and Moran Vista's first ever Academy Awards. Please join us for these outings at the front desk. I want everyone to introduce themselves to our new Business Office Manager Terrie Colvin. She has lots of experience in the field and will be a great addition to our team. Special thanks to Rachel Barron as our heart of an angel caregiver winner of the month. Rachel has been with us for almost two years and has displayed excellent resident care and compassion to our community. I wish everyone a blessed Easter this year. Remember it's time to spring forward with new growth in our lives. Health is the greatest gift, contentment the greatest wealth, faithfulness the best relationship.

Blessings,
Andrew Steighner
