

# THE BEST MOTHER, THAT I LOVE

When God set the world in place,  
when He hung the stars up in space,  
when He made the land and the sea,  
then He made you and me.  
He sat back and saw all that was good,  
He saw things to be as they should.  
Just one more blessing He had in store;  
He created a mother, but whatever for?  
He knew a mother would have a special place  
to shine His reflection on her child's face.  
A mother will walk the extra mile  
just to see her children smile.  
She'll work her fingers to the bone  
to make a house into a home.  
A mother is there to teach and guide,  
a mother will stay right by your side.  
She'll be there through your pain and strife,  
she'll stay constant in your life.  
A mother will lend a helping hand  
until you have the strength to stand.  
She'll pick you up when you are down,  
when you need a friend she'll stick around.  
A mother is one who listens well,  
will keep her word; will never tell.  
A mother never pokes or pries  
but stands quietly by your side,  
giving you the strength you need,  
encouraging you to succeed.  
A mother is one who can be strong  
when you need someone to lean on.  
You're more than a mother to me;  
a love that knows no boundaries.  
You share a love that knows no end,  
you're more than my mother,  
you are my friend.

**Susan Jordan**

## *Mother's Day Fact;*

While many countries celebrate Mother's Day on the second Sunday in May, a tradition which began in the US, it's celebrated annually on May 10 in Mexico. Similar celebrations of mothers are held on various days of the year in other countries, often following ancient or religious traditions.

**\*Don't forget to RSVP to the Mother's Day Tea Party before May 14th (208)345-2150**

Making Easter crafts during craft time!

## MOTHER'S DAY "MOCK" OR NOT MOJITOS

### **Ingredients:**

3 limes, quartered  
36 fresh mint leaves  
1/2 cup white sugar  
1 cup rum  
1-liter club soda

### **Directions:**

Place 8 of the quartered limes into a pitcher along with 24 mint leaves and the sugar. Use the end of a wooden spoon or cocktail muddler to mash (or muddle) the mint into the lime juice and sugar. This releases oils from the mint and helps the sugar dissolve into the lime juice. Add rum (or not for a non-alcoholic version), and fill the pitcher with club soda, stir well. Pour into a glass filled with ice, garnish with a mint leaf and 1/8 lime wedge (you will need to cut the remaining quartered limes in half).

Makes 8 cocktails.
