

ADMINISTRATOR'S NOTES

It's hard to believe it's already May! We have a lot of fun activities planned this month, including a Cinco de Mayo Happy Hour, Mother's Day Lunch, Memorial Day Cook-out and more. Be sure to mark your calendar for Family Night on May 18. Rachel will be sending out more information, so please watch your emails. Nurse's Day is May 6, and we'll be celebrating our nurse, PK, all week. If you are interested in joining us for the Mother's Day Lunch or Memorial Day Cook-out, the cost is \$5.00 per person. Please be sure to RSVP so that we'll be able to plan our menu better.

I want to remind everyone about our procedures during severe weather. If there are tornado warnings for our area, we will gather everyone and go

to the center hall of the building. Please bring your wheelchairs and/or walkers if you have them, and we will also bring extra chairs for everyone else. Do not worry about bringing other belongings with you. Your safety is the most important thing, and time will be of the essence to get you to the safe area. We will stay in this area until the storm has passed and the situation has been evaluated.

We're moving things around a bit in the building. I am moving to the back of the building in the former theater, and Sandy will be staying in the front office. PK has moved things around in her office as well. Nicco will be busy painting the offices to update the colors. I'm sure he'll be happy when these projects are finished. Thanks to Nicco for

helping us make these changes! As always, our door is always open. Please stop by or call us if we can help with anything.

UPCOMING EVENTS

May 4th, 3:30pm:

Come in and enjoy a little taste of down south while we celebrate Cinco de Mayo!

May 6th-12th:

Join us this week while we show our appreciation to our nurse, PK.

May 9th, 10:00am:

We hope you will enjoy our newest exercise class this day. This program combines music, sign language and exercise for an hour of fun!

May 13th, 12:00pm:

Celebrate with us as we honor our mothers.

May 18th, 6:00pm:

Please join us for our Family Night! We are shaking it up this time with live entertainment. As in tradition we ask all families who attend to bring a dessert to share.

May 28th, 12:00pm:

Join us for our Memorial Day celebration!

To R.S.V.P. or to request more information please contact Rachel.

Being a mom is like no other job in the world and her job is never done. Unlike a typical eight to five job mother hood is a "career" often motivated by pure unwavering love. While she is responsible for so much often it may feel as if she goes unappreciated or at least under appreciated.

Let's reach out to all the moms in our lives to remind them how loved and appreciated they are. Let's honor and celebrate them with this blessing.

Dear GOD

"Thank you for your endless provisions off grace and mercy. We come to you today to lift up everywoman who answers to the name "mom." We ask that you supply each one with the strength they need for those difficult days. Give them wisdom to know when to encourage and when to correct their children. Supply them with an extra dose of patience. Remind them that children are a heritage and a reward from you. Shower them with special moments they can cherish. Lord, we ask that you draw them close to you daily. Remind them of their worth in your eyes that they too are cherished children of a loving father. We pray for contentment in this very special calling. May every mom realize that this is a mission from you, one that brings truly great rewards in the end."

Happy Mother's Day

Memorial Day History

Recognizing Memorial Day started in 1868, when the division of the Grand Army of the Republic demanded that their commander, General John A. Logan, adorn the graves of their fallen war comrades with flowers. It was an event that began to recognize the soldiers who died in the American Civil War. After World War I, all men and women who died in military action were also included.

Many people assume Memorial Day is the same as Veterans Day, but Memorial Day is actually a day to honor fallen military men and women, whereas Veterans Day is a day to recognize the veterans who served in the military.

Resident Spotlight:

"Remembrance in life's passing is the trust form of love one can give, for a memory should never die and a love should live forever in the heart of another." By Laura M. Phipps-Kelly

We have lost two of our dear friends last month. We will miss them both dearly and hearts and prayers go out to the family and friends of Dale and Clyde.
