FROM THE DIRECTOR

Dear Residents, Families, and Friends,

Happy Spring!! I think the weather has finally broken through, and I hope we don't see any more snow in the future forecast. We are excited to be continuing renovations this month and hope to make some good progress on our assisted living and memory care communities. Your patience and cooperation with this process is always appreciated, especially as we get into some of the common, higher traffic, areas of the community. We are also looking forward to our Mother's Day Brunch on Saturday, May 12th. Please sign up to come, as we would love to see as many family and friends as possible coming in to help us celebrate all of the wonderful mothers in our community! Lastly, we are excited to announce that we have hired a new Wellness Nurse, Lisa Wilson. This is a new position for our community, and Lisa comes to us with great senior living care experience. Please say hello to her as you come in to visit your loved one. Hope everyone has a safe and enjoyable month!

Sincerely,

Greg Cossaboom

Executive Director
