I was born on May 27, 1941 in Harrington Park, New Jersey, which is very close to New York City. My father was a salesman and my mother stayed at home to raise me and my brother John, who currently resides in Georgia. I attended Northern Valley Regional High School and then I earned a degree in economics at Ohio University. I started my life long career of working for the government. During this time I worked for Military Intelligence, the Pentagon, the White House, and as a U.S. Diplomat in Brussels, Belgium. I was happily married to Cricket and have one son, Chip. I have one niece and one nephew. I have travelled extensively for both work and pleasure visiting over 40 foreign countries. I am a big time foodie and love to cook. I love both Italian and French food and tiramisu. My hobbies include solving puzzles and playing cards, especially Bridge!

Our trip to the San Francisco Aquarium by the Bay will be on **Monday June 25th**, from **10:00am-2:00pm**. Tickets for the residents will cost \$12 per ticket. We are also asking for anyone available to come as a chaperone. Tickets for chaperones will be \$20 per ticket. All Chaperones will be responsible for their own transportation. Our bus can only accommodate about 12 residents which may include up to 2 persons in a wheelchair. If you are able to join us on the trip, and are able to drive your loved one, this will allow others who do not have a separate ride a spot on the bus and we will be able to bring as many residents as possible. Please give the money for the tickets to our front desk concierge. And please let us know if you are interested in accompanying your loved one on the trip and if you are able to transport them. Please R.S.V.P no later than **Saturday June 9th**.
