A Note from the Executive Director

Hello Everyone:

The days of summer are upon us. We finally have our beloved Baby Grand piano in our Living Room. We are in the midst of new landscaping as well. As I said earlier, we will focus on the front of the property and slowly work our way to the courtyard/rear of the property. Even though we are completing our larger construction projects, we continue to renovate empty apartment units throughout Pacifica-Skylyn. In July we hope to begin the installation of our new solar panels. I hope for that to be only a minor inconvenience to our residents. Enjoy this wonderful month of June for it is truly one of my favorite months!

Sincerely, Sue

AMERICA

My country, 'tis of thee,
Sweet land of liberty,
Of thee I sing;
Land where my fathers died,
Land of the Pilgrims' pride,
From every mountain side
Let freedom ring.

My native country, thee,
Land of the noble free,
Thy name I love;
I love thy rocks and rills,
Thy woods and templed hills,
My heart with rapture thrills
Like that above.

Let music swell the breeze,
And ring from all the trees
Sweet freedom's song;
Let mortal tongues awake,
Let all that breathe partake,
Let rocks their silence break,
The sound prolong!

Our Father's God, to thee,
Author of liberty,
To thee we sing;
Long may our land be bright
With freedom's holy light;
Protect us by thy might,
Great God, our King.
