Village Notes

JUNE

Discovery Village Employee of the Month

It is with great pride we announce that Pam Adams is our Employee of the Month! Pam was born and raised in West Virginia and moved to Florida about 32 years ago due to her husband's job. Pam and her husband have three sons and in her spare time Pam enjoys spending time with her family and going on bike rides. Pam is so happy to be back at the concierge desk and we are thrilled to have her as our Lead Concierge. She loves interacting with both residents and staff on a daily basis. We are so thankful to Pam for all of her hard work and we appreciate all she does! Congratulations Pam!

Introducing Gordon P. Ward, Jr., Director Facility Operations

I was a military brat while my father served in the United States Navy. We lived in just a few different locations, Arizona (where I was born), Maine, Connecticut, and Hawaii. My dad retired after his last enlistment in Hawaii and my family (mother, father, and brother) moved to and settled in my dad's home state of Maine.

After graduating high school, I joined the United States Air Force and after basic training I married my (1 year) high school sweetheart Debbie and we got stationed in northern Maine adjacent to the Canadian border. I served almost 8 years in the Civil Engineering career field and then began my career in medical facilities management in 1989 with the Air Force in a civilian capacity at the hospital on base.

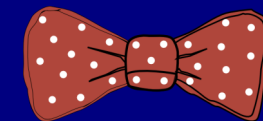

Since then I have accumulated over 20 years in medical facilities management with experience in Hospitals, Nursing Homes, and Assisted Living Communities. My wife Debbie, Philip (son), Nicole (daughter) and I moved to Melbourne FL in July 1994. Debbie was relocated with her Civil Service position to an organization headquartered at Patrick Air Force Base. Both our son and daughter graduated from the University of Central Florida.

I like to spend my free time with my family. I especially enjoy when the kids visit from Orlando where they currently work and live. Other hobbies include golfing, stamp & coin collection and my most favorite (past 3 years) is riding my Harley with my wife.

A Father is

NOR A SAIL
