July 2018

FROM THE DIRECTOR

Dear Residents and Families,

Happy July to all of you!! It's crazy to think this year is already half way over with, but like they say time flies when you're having fun! We have many fun things planned for July, highlighted by our all community resident party on Tuesday July 3rd. Another fun thing we have added recently is our chef attended cooking station, where Chef Paul will cook food in front of you and allow you to try some new and exciting creations! Make sure to be on the lookout for that during lunch or dinner services throughout the month.

As far as renovations go, we are currently finishing up wallpaper in our Memory Care Community and Assisted Living dining room, and then plan on moving to floor replacement. We will do our best to keep you informed on what areas are coming up so that you may plan your daily activities accordingly.

Lastly, this month we sadly say goodbye to Debbie our Memory Care Life Enrichment Coordinator. She has resigned from her position to be with her family. We wish her all the best in her future endeavors.

I hope everyone has a wonderful and safe 4th of July holiday and month to follow!!

Sincerely,

Greg Cossaboom
Executive Director

The Longest Day 2018

Alzheimer's Awareness

This year's Longest Day Event was a success! Many Residents, Families, and Associates participated. For those of you that may not know, each year the Alzheimer's Association celebrates the longest day of the year June 21st by having different events and fundraisers to help raise funds and awareness for Alzheimer's. We celebrated this special day by having a walk for Alzheimer's. There was a walk in the Morning and one in the evening. Also, we had a hotdog sale fundraiser as well as a raffle with many beautiful baskets. Our Waltonwood community raised over nine hundred dollars for this worthy cause. Waltonwood Lakeside management would like to give a **BIG** thank you to all those that participated.
