Patriotism and Retirement

How the two can go together perfectly.

The Fourth is a time we all get a little nostalgic. Maybe you or someone close to you served (or is serving) our country. Or perhaps you simply appreciate the values our country was founded on. Regardless, it's a time to celebrate – and bring people closer together.

Ways to mark the day:

- Invite family and friends to enjoy the Fourth with you.
Have a picnic!
- Relax inside with friends and enjoy your favorite movie classic.
- Pull out your photo albums and share memories with friends.
- Play a popular board game.
Or get a game of Patriotic Bingo going.
- Gather with friends for a red-white-and- blue craft/food/music day.
- Get a group together and send thank you cards to those currently serving.
- Share your own experiences of serving.

While a day of celebration, the Fourth can produce a few painful memories for some. If it happens, try to keep the focus positive and help others look to the future with optimism.

- Think of all the good we've achieved as a family, community and country.
- Maintain a sense of humor.
- Share encouraging stories with friends and family.

How can we help you to celebrate? We'd love to plan the day around your unique ideas!

Activity Highlight

Summer is in full swing and we are taking full advantage! Daily walks, golfing competitions and Happy Hour on the patio are great ways to take advantage of wonderful weather. Outings for shopping and lunch at Boondocks rounded out our outside adventures in June. Not an outside person? No worries. Live entertainment, crafts, cooking, trivia contests, games and times with friends are great ways to spend a summer day.

Resident Spotlight

Say Hello to Fred, the All American Assisted Living of Raynham's Resident of the Month!

Fred is a proud Navy veteran who for 45 years served the towns of Lakeville and Middleboro as both the Assistant and Head Plumbing Inspector. He also had his own plumbing business and has been a well respected member of the Lakeville business community.

Fred P.

When someone retires they may expect to receive a gold watch. When Fred retired, he was gifted with a signed toilet seat from his co-workers at the Lakeville Building Department. It is proudly on display in his room.

Employee Spotlight

Please join us in congratulating Yolanda Ortiz, our All American Employee of the Month!

Yolanda is currently attending U Mass Dartmouth and is studying nursing. Yolanda is a graduate of Bristol-Plymouth Voc. Tech and had worked at All American since her co-op days in high school.

Yolanda Ortiz

She is a med tech for the 3-11 shifts on the Traditional side, and also works on Rose Lane as an RCA. Yolanda will go far in her career as she is a strong leader, compassionate and always willing to help out.

Coming Soon

Keep your eyes open for the Grand Re-opening celebration of All American Assisted Living at Raynham! The addition is finished. The dust and noise are done. The decorating is complete. It is time to open the doors and have a party. We are still ironing out the little details. Further information will be made available shortly. We hope to see you there!

July Fourth Fun Facts

- Congress adopted the Declaration of Independence while meeting in Philadelphia on July 4, 1776. But only John Hancock signed on the fourth; the others sign on August 2, 1776.
- Founding fathers John Adams (second U.S. president) and Thomas Jefferson (third U.S. president) both died on July 4, 1826. James Monroe, the fifth U.S. president, also died on July 4 in 1831.
- Consumers spent over \$800 million in 2016 on fireworks over the Fourth, according to CNBC.
- New York City boasts the largest fireworks display. Around 3 million people enjoyed the show in 2017.
- The Fourth also marks Nathan's Hot Dog Eating Contest: the winner who eats the most hot dogs within 10 minutes wins. The record stands at 73.5.
