Medication & Dosage: _____ Which Pet? _____

All animals entering with fleas or ticks will be treated and your account will be charged accordingly.

- Check out time is 2:00pm. **After 2pm you will be charged for another day of boarding.**
- **Vaccinations must be current (K-9-Rabies, Distemper, Bordetella; Feline-Rabies and FVRCP). If your pet is past due on these items, he/she will be made current and your account charged accordingly. It is the owner's responsibility to supply us with current information if the pet is vaccinated by another clinic.**
- If medications, vitamins, supplements etc are administered while your pet is here, there is an additional charge per day.
- If any medical problem is found while your pet is here:
 - We have your permission to perform non-emergency treatment without contacting you. (for example: medication for diarrhea, updating vaccines.)
 - We will NOT perform any treatment without contacting you first.
- If any emergency situations should arise:
 - Perform Emergency Treatment before calling
 - Do NOT Perform Emergency Treatment before calling
- **We are not responsible for any belongings lost or broken while your pet is at Veterinary Associates.**
