## August 2018

### August 2018

Executive Director Bev  
Huizenga

WOW! Can you believe it is August already? What a beautiful and HOT summer we are having here in Florida! The summer is going by so fast as we enter the Dog Days Of Summer. Take time to take a walk on the beach and watch a pretty sunset. Remember, every day is a gift, so unwrap your day and make it count. Ice cream and a warm evening breeze sound so good and relaxing. Tell the ones you love that you care about them, words are powerful and mean so much. We here at Discovery Commons At Bradenton adore your loved ones and enjoy life with them. Thank you again for allowing us to serve the needs of you and your families. Please feel free to come stop by and see us. You are always welcome.

### 4th of July Barbeque

Chef David Ala King put on an amazing barbeque for the 4th of July. We could smell the cookout and were ready to chow down. As always, it was so good. We appreciate all your efforts to accommodate each and every resident. August will bring tasty surprises too. Wait, watch and see. Once again, thank you David.

### Musketeers

Hmm! Looks like our girls are getting ready to help serve dinner. From left to right, Tammy H., Rosa R. and Rosa M. One thing we do well around here is multi-task. Teamwork is our specialty. These ladies love what they do, are friendly and welcoming and work very hard to see to each resident's needs.

# Happy Birthday

### EMPLOYEE BIRTHDAY

08/22 Linda Griese

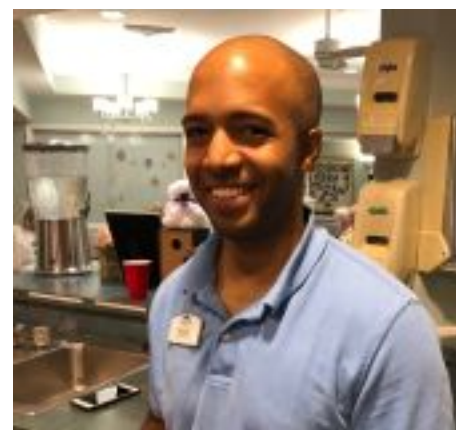

Linda, our dancing Queen who loves to interact with the residents. With John, that's easy, because music is John's favorite pastime. There's not an oldies song he can't sing or hum to. What a wonderful staff we have, and our residents feel their caring attitude.

08/06	Jay Erickson
08/07	Ann Vitori
08/07	William Riddle
08/16	Juanita Barrett
08/23	Ruby Hudon

Benard, thank you for all you do. Always smiling, calm under any circumstance, caring and willing to go the extra mile. Our residents have nothing but praise for you. You are appreciated.

Welcome Pauline Stranahan to Discovery Commons At Bradenton. Pauline is originally from Detroit, Michigan. She is the youngest of 4 siblings. Her nickname is Pee Wee. Pauline has two lovely daughters, Debbie and Kathy. She was a Girl Scout leader for many years and worked retail. I hear she was a tomboy at heart and played

many different sports. Field hockey and golf were her favorites. Pauline traveled to the Bahamas and loved camping. A little birdie told me she loves Scrabble, and we certainly can accommodate her with that. So let's get our game on, Pauline. Once again, welcome. We are so glad to have you with us. We offer many activities, including bus rides on Fridays.

### Discovery Commons at Bradenton

Reminder, we are now called Discovery Commons At Bradenton. Different name, same care and commitment to our residents. Give it time; the name will grow on us all. Thank you for this matter.

## Spotlight on Alzheimer's

### Alzheimer's Support Group

The Discovery Commons At Bradenton Support Group will meet at Discovery Commons on the third Thursday of each month, August 16 at 10 a.m. Please put the date on your calendar and invite your friends and family. We are here to support you with all types of dementia.

### HAPPY BIRTHDAY

Betty Boehn, we wish you all the health and love a birthday can bring. Your day was lovely with your gleaming smile. Chef David whipped up your favorite dessert, lemon meringue pie. All your friends surrounding you and celebrating with you made your day. Having you with us here at Discovery Commons is a blessing to us all. Your humor keeps us on our toes, and your smile is contagious. Let's do this again next year. We love you, Betty.

### National S'mores Day

YES!!! There is actually a National S'mores Day on August 10. So get your sweet tooth ready, because we will be making S'mores. HMM, graham crackers, Hershey's chocolate, and the best part, marshmallows scrunched in the middle. So mark your calendar and be ready to make your own S'more... YUMMY.
