

JMG-

Thank you so much for all of your generous donations. Your support has helped me make it from Mozambique to Swaziland and South Africa all the way to India! Your generosity is overwhelming and I am so appreciative of each and every one of you who has supported me. Support comes in so many different forms and I have received so much from JMG- financially, prayerfully, reading my blogs, liking my photos and statuses on Facebook- thank you for all of it! Thank you for helping me reach the nations and for following me on this journey. You are all such a blessing to me! I have attached some photos from the first 4 months of my race for y'all to see!
