We have some very exciting announcements to make! Firstly we are looking forward to our annual summer picnic this month! The date is Saturday, August 18th from 11am-2pm. We are happy to say that we are planning to rent additional tents, tables, and chairs this year since we have been so tight on space in previous years. Please RSVP to our front desk. We are asking that each resident please bring only up to four guests. In September we are planning a restaurant-style Sparkle Dinner for our residents so stay tuned for more information on that. Later this month we will be repainting the front patio, and we are also planning to get new signs for the building within the next three months. Our front lobby will also be getting new carpet in the upcoming months. Also as a reminder to our residents and visitors to please help us keep our smoking area clean as well as our parking lots—there are trash cans and cigarette receptacles located on the front patio. We appreciate your assistance in keeping our community grounds beautiful!

We have hired a new Business Office Manager who will start in early August—his name is Brian Hall. We will feature an official introduction with his picture in the September newsletter. We are glad to have him join our Haven family! In other billing news, if you would like your bill sent to the resident's POA vs. The Haven, please let us know.

"You can't live a perfect day without doing something for someone who will never be able to repay you." —John Wooden (Every day we see this happen at The Haven by staff, residents, families, and you!)

With warmest regards,
Sheila O'Gara

Chaplain's Corner

It is with sadness that we announce that Pastor Otto has decided to step down from his chaplaincy here at The Haven. In his absence, Reverend Jim Crowder will be filling in for our Sunday church services until we find a permanent replacement.

If your church may be interested in providing our residents with monthly or quarterly church services, please reach out to Kim Sullivan, Lifestyle & Leisure Director at (717) 741-9919 or lifestyleandleisure@havenatspringwood.com. We would love to have our local churches as a part of our Haven family!

Love Without Limits

From Our Daily Bread

The Lord is good to all; he has compassion on all he has made. Psalm 145:9

A wise friend advised me to avoid using the words "you always" or "you never" in an argument—especially with my family. How easy it is to criticize others around us and to feel unloving toward those we love. But there is never any variation in God's enduring love for us all. Psalm 145 overflows with the word all.

"The Lord is good to all; he has compassion on all he has made" (v. 9). "The Lord is trustworthy in all he promises and faithful in all he does. The Lord upholds all who fall and lifts up all who are bowed down" (vv. 13–14). "The Lord watches over all who love him" (v. 20). A dozen times in this psalm we are reminded that God's love is without limit and favoritism. And the New Testament reveals that the greatest expression of it is seen in Jesus Christ: "For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life" (John 3:16). Psalm 145 declares that "the Lord is near to all who call on him, to all who call on him in truth. He fulfills the desires of those who fear him; he hears their cry and saves them" (vv. 18–19). God's love for us always endures, and it never fails!

Father in heaven, we are awed by Your love for us that never changes, never fails, and never ends. We praise You for demonstrating Your limitless love for us through Jesus our Savior and Lord. Amen.

To Our Beacon Place Family:

We are so excited to announce that Cheyenne Fulcher will now be providing activities full time in Beacon Place beginning within the first few weeks of August. Stay tuned for more exciting changes and improvements to our Beacon activities program!
