### WALTONWOOD LAKE BOONE ANNOUNCES PARTNERSHIP WITH CARY-BASED AWARE SENIOR CARE

RALEIGH, N.C. June 25, 2018 – Waltonwood Lake Boone (a premier senior living community in Raleigh) is pleased to announce its partnership with Aware Senior Care, an award-winning home care agency. The partnership will allow the senior living community to provide additional services to independent living residents. Waltonwood Lake Boone went through an extensive interview process before selecting the Cary-based company as its partner. They were looking for a company which aligned with their brand and mission of redefining senior living, and that is exactly what they found in Aware Senior Care. The senior living community (located at 3550 Horton Street) will have 121 independent living apartments, 39 assisted living apartments and 23 memory care apartments. The community is currently under construction and expected to open later this summer.

"We are thrilled to partner with Aware Senior Care to provide additional quality care for residents of Waltonwood Lake Boone," said Allison O'Shea, executive director. "As we were searching for a partner to provide home care services, Aware Senior Care stood out. They truly look at home care in a different way, and that appealed to our team. As we gear up to open, we have the residents' best interest in mind. The independent living portion of the community is the largest, and we know our partnership with Aware Senior Care will help meet their needs. We hope to grow our partnership to allow additional services for all residents in the future."

Independent living residents at Waltonwood Lake Boone will enjoy spacious rooms, restaurant-style dining, fitness programs and other amenities and services. The community wants residents to maintain their independence and provides a lifestyle without the worry of home maintenance. The partnership with Aware Senior Care allows residents to age in place by offering companion and personal care services such as medication reminders, light housekeeping and assistance with mobility. Aware Senior care is looking forward to matching the quality care Lake Boone provides.

"The Waltonwood communities are known for providing top-quality senior care across the country," said Tim Murray, president and co-founder of Aware Senior Care. "Aware Senior Care also holds itself and its caregivers to the highest standards of excellence, professionalism, and compassion, so this

partnership is a natural fit for both of us. We are honored to be selected as Waltonwood Lake Boone's independent care provider."
