95-Yr-Old Veteran Shows Little Boy How To Be Brave By Jumping Off Diving Board.

by Beverly L. Jenkins

95-year-old Daniel Biss is a two-time war veteran, having served in the Air Force in WW II and Korea. On July 4th, his family gathered to celebrate Independence Day at an Ohio public park. Daniel is clearly no stranger to the concept of bravery, so when he overheard a child confess that he was afraid of jump off the diving board into the swimming pool, the vet didn't hesitate to show the boy how it's done.

As he prepares to take the plunge, the everyone cheers him on. As the old man stands on the diving board, he flexes his muscles to show off just how ready he is to put his courage to the test. Daniel's daughter, Christine Ross, was shooting video and says that her dad has always lead by example. "He is very spry for his age," Christine said. "He is full of amazing stories and has song for every situation." Daniel's family expected him to jump, feet-first into the water... but he had other ideas. "Little did we know he would actually dive!" said Daniel's grandson, Kevin Ross. But dive he did, plunging head-first into the blue water as if he had done it every day for his entire life! Family members were waiting to assist him in the pool, though he took a few unaided strokes in the water before they stepped in.

It's safe to say that Daniel served as an inspiration to all who witnessed his dive that day! For his part, Daniel told his grandson that he hoped the video would "be seen

around the world." We could all take a lesson from this man's bravery, both in a swimming pool, and out.

August Birthdays

In astrology, those born between August 1–22 are Lions of Leo. Leos are natural-born leaders: confident, charismatic, creative, and warmhearted. Leos also use their humor and loyalty to bring people together to work for a common cause. Those born between August 23–31 are Virgo Virgins. Virgos are one of the most careful signs of the zodiac. They pay attention to detail, analyze problems, and plan so as to leave nothing to chance. These amazing listeners give excellent advice.
