

# Freehold seniors support the back-to-school effort

## *Mattison Crossing at Manalapan Avenue to host back to school drive*

FREEHOLD, N.J. (August 9, 2018) – Our calendars have collectively turned the page to August, and you know what that means...it's back-to-school season! As parents flock to stores to buy school supplies, one local retirement community is doing its part to make sure Freehold students have everything they need this season. Mattison Crossing at Manalapan Avenue is gearing up to host a "Get and Give" supply drive, in partnership with local hot-spot Shore Good Eats N' Treats and Carefinders Total Care.

The drive, which will be held on Thursday, August 23 from 7:30 to 10:30 a.m., invites Freehold locals to Mattison Crossing to get treats courtesy of Shore Good Eats N' Treats' food truck, including breakfast sandwiches, desserts, and iced coffee selections, in exchange for the donation of a new school supply. All of the on-site food options can be made to-go, and all supplies collected will be donated to local schools.

"The Mattison Crossing team is excited for this event and the opportunity to give back," said Tracy Frederick, the community's Director of Sales and Marketing. "We all have memories of going back to school in the fall, regardless of our age, so our residents are really excited about the event too."

The event, which is free to attend, will also offer raffle prizes and a parting gift for every attendee.

"If you have anything to donate to the cause, no matter how small, please make a sincere effort to come by on the 23<sup>rd</sup>," added Frederick. "This is a great opportunity to rally together as a community, so we hope to see you there!"
