Village Notes

Discovery Village Employee of the Month

We are excited to announce that our September Employee of the Month is Vanessa. Vanessa has been a part of our Discovery Village family for five months. She is originally from Manila, Philippines but grew up in New York. Vanessa has also lived in New Jersey, Pennsylvania and Florida. Vanessa loves what she does, as it allows her to showcase her cooking and baking skills. Vanessa has been working in this industry for over 20 years and even owns her own cake business. When Vanessa is not working she enjoys going to the beach and shopping. Thank you Vanessa, for deliciously delighting us with your culinary treats daily!

Executive Director's Corner

October is upon us. Last month we saw improvements with landscaping, window washing and the enhancement of the Memory Care garden . We are proud of the work we have done and look forward to continuing the betterment of our community. We are looking to make some renovations to the common areas of the community, to include new carpeting in the dining room and alfresco dining to one of the front patios. We anticipate the new Supervised Independent living building to be fully occupied in the near future. We also look forward to the energy and excitement these folks will bring to our active community. Discovery Village at Melbourne also gained the SHINE Certification which is an exclusive Memory Care Program revolved around: Team Member Training, Communication, Personalization, Dining, Life Enhancement and Neighborhood Design. It is an exciting program and we are the first community in Florida to earn this designation.

With Gratitude,
Ken VanDyck, NHA
Executive Director
