SERVICES

## COMPREHENSIVE CARE

### Adult Dogs

- Office Examinations/Visits (3 Routine Exams/Consultations)\*\*
- Vaccinations Recommended by Veterinarian (Up to 3)
- Comprehensive Blood Work, Including Complete Blood Count, Chemistry Panel and Thyroid Screen, with Fecal Exam and Heartworm Test with Three Tick-borne Diseases
- Professional Dental Cleaning and Oral Exam - A complete oral exam is performed under general anesthesia, including probing and polishing as each tooth is charted. During this procedure, two dedicated technicians monitor heart rate, temperature, oxygen, EKG and blood pressure. A heated surgical table regulates body temperature and I.V. fluids promotes hydration. *Oral surgeries (including extractions, dental x-rays and additional anesthesia) are not covered by this plan, however they are discounted. Patients weighing over 50 pounds may incur additional fees.*

### Puppies

- Office Examinations/Visits (4 Routine Exams/Consultations)\*\*
- Vaccinations Recommended by Veterinarian (Up to 5)
- Fecal Exam (Up to 2)
- Spay/Neuter - The procedure is performed under general anesthesia. A complete pre-surgical exam is performed, including pre-anesthetic blood work, hospitalization and pain injection. During this procedure, two dedicated technicians monitor heart rate, temperature, oxygen, EKG and blood pressure. A heated surgical table regulates body temperature and I.V. fluids promotes hydration. *Patients with medical conditions that complicate a routine procedure or weigh more than 50 pounds, may incur additional fees.*

## For pets and the people who love them

Each pet is unique and at Mundelein Animal Hospital we have plans specific to each pet's needs. We have established preventive care recommendations to ensure that every pet receives the highest level of care to live a long and healthy life.

### Wellness plans for the life of your pet

- ✓ Plans for each life stage
- ✓ Affordable monthly payments
- ✓ Out of plan discounts for professional services
- ✓ Peace of mind knowing your pet is healthy

Our pets rely on us to keep them happy and healthy. PAW Plans make it easy for you to ensure they get the care they need to live their best life.

## PAW Plans help your pet get the care they need to live a long and healthy life.

We treat your whole pet starting with routine office visits, vaccinations, lab work, spay/neuter and dentistry (determined by the age of your pet).
