## Hello June!

We here at Pacific View are excited to welcome the warmer weather that June brings. With that being said, we feel that it is important to remind everyone to make sure that you are staying hydrated and to protect your skin. Please keep an eye out for some upcoming new activities and adventures that we have been working with our residents and team to try. We had a great Mother's Day as well as Memorial Day BBQ.

In honor of Father's Day, I would like to say Thank you to all of our Fathers out there who helped to shape us into the people we are today. Happy Father's Day!

Leslie Davis,  
Executive Director

## The Sun's Reach

You may think you're made in the shade when you're sitting under an umbrella or a tree, but you still need sun protection. The sun's indirect and reflected ultraviolet rays can reach your skin and cause a sunburn, so wear sunscreen and reapply it every two hours.

## ALZHEIMER'S SUPPORT GROUP

Come join us each month for the family support group. We discuss topics that can help caregivers, residents, and family deal with the challenges of aging and care. Residents, family and friends are all welcome to attend. We meet each month from 10:30 to 11:30am in the Pacific View library located on the third floor.

## MEMORY CARE EMPLOYEE OF THE MONTH

Don's life experience has molded him into the magnificent person we all know, from his time in the Navy working as a technician, to being a great father and husband. He is also a fantastic artist and loves to read. Many of our residents look up to Don because he is such a good person. Don Christenson is truly the most interesting man in the world!
