Village Notes

DECEMBER

Discovery Village Employee of the Month

We are thrilled to announce that our employee of the month is, Eurica Meyers. She has worked as a Care Manager at Discovery Village for almost 2 years. Eurica is originally from the Philippines, where she was a public school teacher. Eurica love the satisfaction and sense of accomplishment she gets after taking care and showing love to the residents. She also enjoys all of her coworkers and the fun and friendly atmosphere of working at Discovery Village. When Eurica isn't working she loves going to the beach, watching movies, gardening and cooking. Congratulations Eurica!

Executive Director's Corner

We have seen many projects in the month of November. Discovery Village officially opened the new building on October 31st, 2018 and have been moving in new residents every day since. We completed a re-paint to the outside of the community and we anticipate the completion of the walking nature trail to the west of the community soon. We have been busy. December brings a lot of great memories for many of us and also gives us time to reflect on the past year as well as anticipate the new year. Many folks will be traveling and visiting with family and friends. Discovery Village at Melbourne has a fun filled December planned with many activities to keep us busy as we close out 2018. I wish everyone a happy and safe holiday season. If I can be of service please don't hesitate to call or email.

With Gratitude,
Ken VanDyck, NHA
Executive Director
