Healthful care. Dedicated staff.
Exceptional lifestyle choices.

Maplewood at Chardon provides a healthy, invigorating environment for all seniors, as well as specialized assistance for those in need of memory care.

The heart of Maplewood is embodied through Vistas™, an approach to assisted living that offers premier care to seniors who need some support in their everyday lives. For residents showing early signs of memory loss, Tides™ provides a safe environment in which to live a life of supported independence. Currents™ uses an emotion-based philosophy that helps Maplewood residents with more advanced memory loss continue to enjoy life to their maximum potential.

Beautifully designed for residents and families alike.

Maplewood at Chardon exudes small town charm and a down-to-earth feel at every turn. From the moment residents and guests enter the main lobby,

they'll feel the warm glow and welcoming spirit of a mountain lodge—with a majestic stone fireplace serving as the centerpiece. It is easy to feel right at home in our spacious, one-bedroom apartments with state-of-the-art safety features that are designed specifically to suit the needs of older adults. Each is beautifully appointed with an interior porch that overlooks an enclosed courtyard. Though Maplewood is buzzing with activity, there are plenty of comfortable spots for families to gather—such as our on-site bistro and a greenhouse with its very own mourning dove.

From fireside chats to sweeping outdoor spaces, experience joyful living—inside and out.

Uniquely Chardon.

Maplewood at Chardon is not part of a “chain” of senior living residences. Rather, we're a unique part of the local, tight-knit community. Our savory menu choices feature ingredients from area farms that are delivered to our chefs daily. They joyfully go to work in our spacious kitchen, creating meals and desserts that celebrate the best of local flavor.

Our affiliation and active involvement with the Alzheimer's Association ensure that our memory care program keeps up with the latest advances.

Located close-by to Sand Ridge Golf Club, we are also a short drive to area hospitals and medical offices. For added peace-of-mind, residents can opt to have our on-site visiting physicians oversee their health and wellness.

An abundance of health and wellness.

Full of light and friendly faces, Maplewood at Chardon offers memory care with a truly personal feel. Discover the difference for yourself and **schedule your personalized Welcome Visit today. Call 440.285.3300 or visit our website at www.MaplewoodAtChardon.com.**
