

We're looking for individuals and couples interested in learning about the self-storage industry while receiving training first hand to become property and assistant managers.

Full and part time positions are available with bonuses, great benefits, and an apartment with paid utilities for onsite property management positions.

As part of the team, your responsibilities include:

- Promoting rentals through telephone and personal inquiries
- Build extended and repeat rentals through excellent customer service
- Post payments, make bank deposits and collect outstanding rent
- Utilize leasing software and marketing dashboard
- Market to surrounding business and residential community
- Maintain facility, rest rooms, storage units and grounds for cleanliness
- Assist customers with Penske and U-Haul truck rentals
- Open and close office daily

We're looking for team members that have a drive to succeed, enjoy interacting with the public, and are ready to take on the exciting opportunity of managing the day to day operations of a storage facility. Service and maintenance abilities are a plus.

Drug and background testing required.
