A Note from the Executive Director

Dear Belleair Family,

I am pleased to announce that I have officially been selected as the Executive Director of Pacifica Belleair! I'm so grateful for all of the support and encouragement that you've provided during these recent transitions. We have been enjoying lots of holiday festivities during the month of December as you can see in our Memorable Moments section of this newsletter. The joy that can be seen on our residents' faces makes me excited to come to work every day!

I look forward to getting to know

each of you better.

We are grateful to have the opportunity to serve your loved ones every day!

Health & Fitness by

Encouraging the creativity of people living with Alzheimer's disease related dementia brings joy in many ways. The daily inclusion of diverse arts; poetry, dance, music enhances the richness of life in assisted living and adult day stay. At Pacifica Belleaire we believe there is no limit to what people with memory impairment can create, and we believe in endless possibilities.

We value all members of our community. By encouraging staff and other health care professionals to have fun with and stimulate the people they serve, we are saying we value their work. We are also honored to work with family members acting as volunteers. Through the efforts of the activities of department and our volunteers we hope to provide for time for families to care for themselves.

Thank you for giving us the opportunity to help you enjoy quality time with your loved ones.

Activities Director,
Lisa Cappello
