A Note from the Executive Director

At this time of year I think it is important that we slow down and remember all the things that truly matter like family, friends and laughter. As December approaches the hustle and bustles of the holidays are coming with it. May each of you enjoy the holiday season and make the most of each and every moment.

As the New Year approaches we look back in reflection at the lessons we have learned this year and our goals for the upcoming year. As you are making your resolutions for the upcoming year remember to look a little deeper and make resolutions that will help you grow as a person and impact the world in a positive way.

Warmest Regards,
Trudy Therre

Who am I?

I can be scary, I can be entertaining, I cover my face so it will be impossible for you to recognize me and I create animals from plastic. Who am I?

I travel, entertain, I am also called the boss, the guardian or the chief and many times I have to make the most and the biggest decisions. Who am I?

I wash, cut and shave a dozen times a day yet I still have lots of hair. Who am I?

Welcome to Our Community

A sincere thank you from Pacifica Senior Living for choosing our establishment as your New Home.
