**FOR IMMEDIATE RELEASE**

## **The Village Senior Living Now Open for Memory Care Move-Ins**

Tacoma, Wash., January 23, 2019 – The Village Senior Living is officially open to move residents into its new memory care neighborhood. Located at 4707 S. Orchard St. in Tacoma, The Village Senior Living offers independent living, assisted living, respite care and now, memory care. The memory care neighborhood provides care for seniors living with Alzheimer’s disease, dementia and other cognitive impairments, providing assistance with medication, bathing, dressing and meals.

“With the addition of our new memory care neighborhood, The Village can now provide care for residents living with Alzheimer’s or other dementia,” says Lincoln Strand, executive director. He continues, “There is a great need for memory care in our community, and I am thrilled that The Village is able to help serve that need.”

The new addition, which has a separate entrance, includes 19 spacious apartments (private and companion), easy paths of interest for residents to follow, life enrichment stations, a beautiful dining room serving three restaurant-style meals per day, dedicated activities and wellness areas, and an enclosed courtyard with walking path and seating. The community also provides transportation for outings and scheduled appointments and has a Beauty and Barber Shop onsite.

For more information about memory care, or to schedule a tour at The Village, please call 253-475-4707 or visit [www.thevillage-tacoma.com](http://www.thevillage-tacoma.com).
