About our course director:

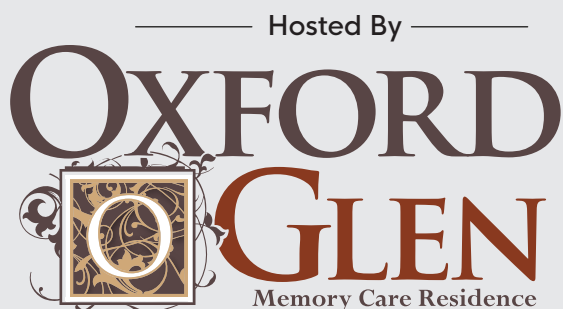

Mandy L. McCracken-Atkins
LPTA, LMT, ATRIC, CKTP, CPD, CADDCT

Mandy is a Physical Therapist Assistant and Massage Therapist who has been working in the Geriatric field for more than 29 years. She has specialized in Dementia Care, providing person centered & directed therapeutic training and educating peers on a host of specialized skills in order to provide excellent care for their patients. Her background in therapy, understanding the effects of pain and human behavior, and advance knowledge in techniques to attain or maintain function brings a wide-range of resources. Together with her contagious enthusiasm, theatrical deliverance and depth of knowledge her training leaves you empowered, excited & recharged. Mandy is currently teaching The Alzheimer's Disease and Dementia Care Seminar (NCCDP approved). She also provides clinical and private consulting to individuals, families and facilities. Ask her how Massage and Aquatic Therapy can positively impact quality of life.

What you will learn:

- Diagnosis & Prognosis of the diseases that cause dementia
- Current Treatment, Communication and positive behavior approaches through the awareness of Feelings, Depression, Repetitive Behavior, Paranoia, Hallucinations, Wandering, Hoarding, Aggressive Behaviors, Catastrophic Reactions, Intimacy and Sexuality
- Strategies to assist with Personal Care, Pain, Nutrition and Activities
- Environmental impact, Staff and Family Support, Diversity and Cultural Competence, Spiritual Care and End of Life
